ANURAG MISHRA

SUMMARY

I am a skilled Web Developer with experience in designing, developing, and optimizing responsive, user-friendly websites. At WE and You Events, I led the development and management of the official website, integrating SEO strategies, optimizing hosting on Big Rocks, and ensuring regular content updates to enhance online visibility. At Accenture, I contributed to building scalable web solutions, collaborating with cross-functional teams to deliver high-quality digital products. My technical expertise, problem-solving abilities, and attention to detail enable me to create impactful and efficient web solutions that support business growth.
